

556C.1 Definitions.

As used in this chapter unless the context requires otherwise:

1. “*Customer*” means a person who causes a molder to fabricate, cast, or otherwise make a die, mold, or form to be used for the manufacture of plastic products.
2. “*Molder*” means a person, including but not limited to a tool or die maker, who fabricates, casts, or otherwise makes a die, mold, or form to be used for the manufacture of plastic products.

84 Acts, ch 1066, §1
